## Message from Executive Director Christie Brown

Happy New Year! I've been with ReSource for about 5 months now, and am inspired by all the great work being done by our nonprofit community! I've had a chance to meet some of you and this inaugural newsletter is my attempt to connect with even more of you!

ReSource has built its reputation on the great support we are able to provide through furniture and supplies. Our goal is to provide even more support to our nonprofit community in 2016 ... in ways that are needed and desired. See below for your opportunity to give us input for your needs.

You can also feel free to [email me](#) anytime with your thoughts, needs, suggestions, and hopefully some kudos for the work we are doing to support you! I see this newsletter as a way to communicate within the nonprofit community, so if you have things to share, send those along for our next edition.

Thank you for your partnership,

*Christie*

## Saturday Hours

We've heard you! Since some members have difficulty getting to ReSource during the work week, we've received requests for Saturday hours. With a small staff, we cannot be open every Saturday, but we will do a trial of once a month Saturday hours to gauge what the interest is.

ReSource will be open on Saturday, January 16, 2016 from 9:00 until noon.

\*We will not have warehouse staff to help load items, so bring your own heavy lifters!

## Survey

Help us further our mission of Building Stronger Nonprofits. Complete our needs survey to let us know how we can support your organization better. Just 9 questions to provide feedback on what services we should try to add in 2016. If you haven't responded already, please complete the survey by January 8.

Thank you in advance for sharing your thoughts! Next month's newsletter will highlight the results.
